

Locally

Locally is an exciting set of side tables, whose essence carries a strong sentimental connection to specific sites: the stirring topography of the northern Israeli Mount Carmel, and the thrilling urban structure of Tel Aviv-Jaffa. The grandiose scale of cartography meets the minute scale of the patterns formed within the blackened natural oak's grain, forming a new, layered map upon the table.

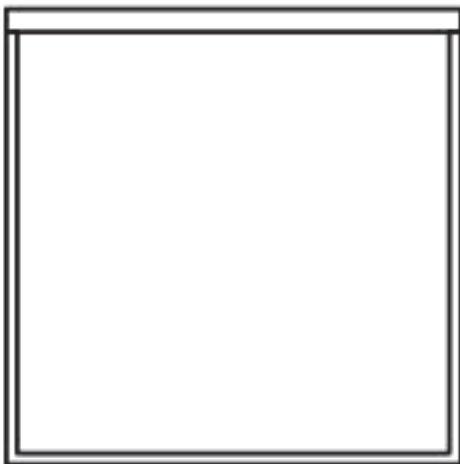

PRICE: 1,700 / 2,100 NIS

DIMENSIONS:

Width: 35 cm

Length: 50 cm

Height: 40/45 cm

MATERIALS:
Steel frame, wood top

FRAME
