

UNFAMED

The uniqueness of this piece lies in the unmediated, resolute connection between the steel base and the stone top. The fine lines of steel create clear geometric shapes; when standing side by side, the two tables of differing heights flirt with the depth of space and blur one another's dimensions.

PRICE: 1,750 / 2,100 NIS

DIMENSIONS:

Width: 40 cm
Length: 40/55 cm
